---

Dear Parents,

Every year a school supply list is sent out to each family for every grade represented in their home. This page has all the fees/requirements necessary for the 2021/2022 school year.

Each family, with a child at school full time, will be required to pay an annual fee of \$150 for lunch supervision.

Classroom teachers have made a pre-set list of supplies for their students and the school will buy them in bulk. **Parents are requested to buy the items below only, in addition to paying the supplies fee as stated for each class.**

We have done our best to get the best quotes and hope you find this system beneficial for you as well.

**The first few days of school are really busy. To eliminate the long line on the first day of school please abide by the following system: If you are paying via cash or cheque please place the amount in an envelope. Write your name and destination for funds on the envelope. If you would like a receipt please specify on the front of the envelope and a receipt will be issued at a later time.**

**Debit payments can be made at the front desk.**

Thank you for your cooperation,  
CHS Administration

### **Parents will be asked to provide:**

- Back Pack
- Lunch box
- Headphones
- Reusable water bottle (**NO GLASS**)
- Indoor (non-marking) shoes, preferably running shoes that can double as gym shoes
- Skates and helmet for rink (bring in December)
- 3 boxes of Kleenex
